

# COUNSELOR APPLICANT INFORMATION

## Application Procedure

Thank you for your interest in Camp Roger! A summer at Camp Roger is more than a job...much more than a terrific and fun experience. It's more than a chance to be outdoors and make new friends. It's a unique opportunity to be part of God's ministry and have a life changing impact on the lives of young people.

**Applicants *must* be available for a second round group interview held at Camp Roger on Saturday, February 25, 2012**

Applications are due February 15; applicants should be notified as to status no later than March 31.

Please complete one written reference form on yourself and have three additional references send their form directly to us.

As you probably have heard, we usually have more applicants than positions and therefore not all who apply can be employed. We will choose applicants who best fit into our program and staff. Camp Roger is an equal opportunity at will employer and does not discriminate on the basis of gender, creed, color, race, or national origin.

## Program Emphasis

Camp Roger began operation in 1913; the current corporation was formed in 1941.
